

Committee Member Profile

Renée Shellhorse

Renée Shellhorse began her career in the oil and gas industry following graduation from the University of Arizona when she joined the family manufacturing business, Onnen Tank Trailers in Commerce City, Colorado. After the sale of Onnen, Renée embarked on a career with Conoco Inc., where she developed and maintained successful working relationships in a number of positions, including Technical Sales Representative for Lubricants and Financial Analyst for Conoco's Retail Store Division.

After a brief period of time in Houston, Texas, as a Warehouse & Logistics Manager for Pumpelly Oil, Renée returned to Colorado in 2005. As a Marketing Operations Manager for Pester Oil until 2014, Renée was also responsible for environmental and branding support for retail locations in Colorado, Kansas, Nebraska and New Mexico.

Currently Renée uses her expertise in communication and motivation working with G & S Services where she is responsible for dealer support.

Renée's experience working for large corporations and family owned businesses gives her practical insights to be a constructive member of the Petroleum Storage Tank Committee.
