General Notes and Guidelines

1. No traffic lane closures from 1 p.m. Friday until 7:00 a.m. Monday, unless authorized by the City.
2. All traffic control must meet MUTCD standards.
3. Placement and maintenance of traffic control devices are the responsibility of the applicant.
4. Emergency access must be provided at all times.
5. The applicant must notify all affected residents and businesses at least 48 hours in advance of a street/sidewalk closure.
6. All street closures performed on or near a Holiday shall require special approval.
7. No required building exits can be blocked at any time during construction.
8. The City reserves the right to stop any activity if proper devices are not in place or unsafe conditions exist.
9. Erosion and Sediment control measures shall be used if applicable.

Traffic Control will be posted as shown below or attached: (Please provide sketch of proposed Traffic Control in this space or on separate sheet)
