

How MUCH DO YOU KNOW ABOUT

SEED?

Can you answer these burning questions about
YOUR seed?

- 🌸 What is the germination percentage
- 🌸 What is the test date; is it still valid?
- 🌸 Are weed seeds present?
- 🌸 What registrations are necessary to sell seed?
- 🌸 How should seed offered for sale be labeled?

“The general assembly hereby finds and declares truth in labeling of seed is of paramount importance to the citizens of Colorado”

Colorado Seed Act

Title 35-27 Consumer and Environmental Protection

COLORADO
Department of Agriculture

The Colorado Department of Agriculture,
Division of Plant Industry,
Seed Regulatory Programs.
