

City of Idaho Springs

Public Meetings Regarding Water and Wastewater Operations and Infrastructure

Thursday, December 15, 2016 at 6:00 p.m.

Thursday, January 5, 2017 at 6:00 p.m.

Council Chambers, City Hall, 1711 Miner Street, Idaho Springs

Representatives of the City of Idaho Springs, Raftelis Financial Consultants, and JVA Engineering will present the recently completed **Water and Wastewater Rate Study and Capital Improvement Plan Update** including recommendations for rate increases.

Public input will be received and questions will be answered.

The preliminary presentation to City Council on October 18, 2016 is available on the City's website at **www.colorado.gov/idahospings**
