

**Status of Stormwater Construction Permit Applications
received by the Water Quality Control Division prior to December 9, 2014**

CERTS RECEIVED AND ISSUED ON or PRIOR TO December 2, 2014 ARE LISTED ON "ACTIVE STORMWATER CONSTRUCTION CERTIFICATIONS" LIST

Notes:

- Applications are listed below by the date received in our office.
- Applications submitted as part of the Notice of Reassignment of Permit Coverage and General Permit Application form are also included.
- No faxed or emailed copies of applications are accepted.
- A date in the "Permit Certification Effective Date" column indicates the date that the permit certification was issued and became effective. Permit certifications are typically mailed out 2 to 3 business days after the "Permit Certification Effective Date." Permit certifications will be issued and mailed to the company/entity name and address indicated in item 1 of the application, and sent to the attention of the signatory indicated in item 9.
- For all other questions, please call the Stormwater Help Line at (303) 692-3517 or email us at cdphe.wgstorm@state.co.us.
- Copies of these certifications can be obtained by calling our record center – 303-692-3600 - leave name, number, permit number and email address.
