

- **After clicking on the committee name in red, the information on the audio recordings for that committee appear on the screen, to the right of the list of committee names.**

The recordings listed on the screen are divided into two sections:

**"Upcoming (Committee Name) Events" &
"2012 (Committee Name) Archived Audio."**

- **In the "Archived Audio" section, select the date of the hearing you want, and click on "Audio" to listen to the recording, or "MP3 Download or WMV MP4 Download" to download the audio.**
- **There are additional downloading instructions on the bottom of the page on using Windows Media Player or Microsoft Silverlight to download files, with links to Windows Media Player and Microsoft Silverlight.**
