

ROAD RECONSTRUCTION PROJECT

WORKING WITH ASPHALT SPECIALTIES Co.

ROAD CONSTRUCTION BEGINS MAY, 31ST

CONSTRUCTION HOURS: 7:00 AM TO 7:00 PM // MONDAY - SATURDAY

Construction will start in the Centennial subdivision on TUESDAY, MAY 31st. Antelope Hills construction will start concurrently. Brothers Four and Cordella will begin in the following weeks. Please be advised that during construction, street parking may not be available on your street for a short period. We are working with our contractor to minimize the impact on residents.

Residents will be notified before construction begins on their streets.

Our contractor, Asphalt Specialties, will go door to door to notify residents as well as answer any questions. Watch out for **“NO PARKING”** signs that will be placed at least **24 hours prior to street closures**. Any vehicles left on the streets when construction begins **will be towed** (at the

owner's expense) to the Bennett Community Center parking lot.

Residents will have access during the construction process. Asphalt Specialties will work with emergency, utility, and delivery services like USPS, UPS, FedEx and garbage services to minimize the impact on residents.

For the latest information on the project, including diagrams of construction phases for each neighborhood, please visit: townofbennett.org/road-reconstruction-project

If you have further questions about the project, please contact our construction partners Asphalt Specialties Co. directly:
