

MAY IS NATIONAL PET MONTH

May is National Pet Month, a time to reflect on the importance of pets and the responsibility of pet ownership. Pets bring a lot of joy into people’s lives. However, like so many of life’s everyday joys, it’s easy to take pets for granted.

The Town of Bennett would like to recognize national pet month by offering a discount on pet licenses during the month of May:

Spayed/neutered dogs/cats:	\$8.00
Intact dogs/cats:	\$23.00
Senior citizen spayed/neutered dogs/cats:	\$3.00

**Current rabies vaccination certificate is required to purchase a Town of Bennett animal license.*
