

# Knoebel Institute *for* Healthy Aging

## VISION

Quality in Life, Wellness, and Community

## MISSION STATEMENT

The Institute creates and implements solutions for aging issues through multidisciplinary research, education and outreach. The Institute collaborates with other academic institutions, corporations, NGOs, government, philanthropic partners, healthcare providers, and policy makers to develop new solutions to complex problems involving aging. KIHA serves as an information clearinghouse for media on matters related to aging. KIHA educates and trains a diverse workforce to serve a rapidly aging population. KIHA promotes innovation, research and business development related to aging.

## STRATEGIC OBJECTIVES

1. Develop interdisciplinary research programs.
2. Expand and support a community outreach network.
3. Increase competency of the current and future workforce for the aging population.
4. Transform public policy and attitudes on aging.
5. Support business development and innovation related to aging.
