

priorities Nos. 6 and 25 respectively; that the owner thereof is John M. Fancher; that said ditch receives its water from Beaver Creek; that it is used for the irrigation of 22 acres of land, and that there be allowed to flow into said ditch, during the irrigation season, under and by virtue of said priority No. 9, one cubic foot of water per second of time for and during such time and times as shall be necessary to irrigate 5 acres of land, and that said cubic foot of water per second of time be further allowed to flow in said ditch for such additional time and times as shall be necessary to properly irrigate 17 acres of land in addition to five acres first above mentioned, under priority No. 116.

No. 11—The Titsworth Ditch.

That said ditch is entitled to Arkansas River priorities Nos. 9, 15, 23 and 83, which said priorities are also Four Mile Creek priorities Nos. 2, 4, 7 and 28 respectively; that said ditch draws its supply of water from said Four Mile Creek; that Mills Craig and George H. Green each own an undivided one half thereof; that the headgate of said ditch is located in the South East quarter of the South East quarter of Sec 10 in Township 18 South Range 70 West, at a point on the East side of said Creek distant 18 chains in a direction North 69 degrees West from the South East Corner of said section 10; that said ditch is used for the irrigation of 91 acres of land; and that there be allowed to flow into said ditch, for the use and benefit of said Mills Craig, under and by virtue of said priority No. 9, one cubic foot of water per second of time during such time and times as shall be necessary for the irrigation of 12 acres of land; and that there be further allowed to
