Silverton Town Board of Trustees Resolution No: 2006-06

A Resolution requesting the State of Colorado, Department of Regulatory Agencies, Examining Board of Plumbers to provide plumbing inspections for the Town of Silverton pursuant to Colorado State Statues

WHEREAS, the Silverton Town Board of Trustees find that improper plumbing can adversely affect the health and safety of the public, and a program of licensing and inspections can help protect the public's interest, and

WHEREAS, the State of Colorado has promulgated a plumbing code and a solar energy code of standards determined by the Examining Board of Plumbers, pursuant to C.R.S. 12-58-101, which allows for the licensing of plumbers and the inspection of their work, and

WHEREAS, the State of Colorado has the trained personnel and administrative and financial capability to carry out the dictates of the statute.

NOW, THEREFORE BE IT RESOLVED, that the Silverton Town Board of Trustees hereby requests that the Examining Board of Plumbers of the Department of Regulatory Agencies of the State of Colorado provide inspectors and charge fees for making inspections of plumbing work as defined by the Colorado Revised Statutes, as amended, in the Town of Silverton, and that the Colorado Plumbing Code and such inspections will become effective and mandatory as of September 1, 2006.

This resolution is declared to be duly adopted on August 28, 2006.
