

The Board of County Commissioners will be accepting applications for a Facilities Service Employee. The position is available immediately, at a salary to be determined by the Board based upon experience and qualifications. The person selected will serve under the general supervision of the Facilities & Maintenance Director.

Responsibilities will include general maintenance and repair of Washington County buildings, grounds, sprinkler systems, security systems, doors, windows, and offices. Must be able to lift and stack objects up to 50 pounds, and occasionally/ frequently exert 10 to 20 pounds of force to lift, carry, push, pull or otherwise move objects.

Experience should include one year experience as a semi-skilled worker in one or more of the basic building maintenance trades and/ or one year experience in a warehouse distribution operation. Knowledge of manual and electrical hand tools. Ability to work a flexible schedule, which may include off-shift hours and weekend assignments. Must be able to operate a forklift, light truck, and other motorized equipment.

A detailed job description is available by contacting the Commissioners Office at 150 Ash Avenue, Akron, Colorado 80720

Washington County provides an excellent benefits package to the employees and is an equal opportunity employer
