Special Use zoning designations are attached to the land or property for which they are granted. Once the use by Special Review Zoning is extinguished for the purpose it was originally sought, owners or new owners of the property may not engage in any activity relating to the enterprise that was granted under the original Use by Special Review without reapplying for a new zoning designation. This extinguishment will be recorded with the Washington County Clerk and Recorder.

I have read and acknowledge the above statement. Applicant _____ Initial

I have read and acknowledge the above statement Property Owner _____ Initial
