Policy & Financing

# ***TEFT Program Components***

Colorado is participating in all 4 TEFT Components:

- Personal Health Record (PHR)
- electronic Long Term Services and Support data elements (eLTSS)
- Functional Assessment Standardized Items (FASI)
- Experience of Care (EoC) Survey

# ***TEFT Program component: PHR***

The main focus of today's presentation....PHR

# ***TEFT Program component: PHR***

Important things to know about the PHR pilot

- Clients can use it, tell us what they like/don't like
- Doesn't replace information clients receive in mail about benefits/services
- Doesn't impact services or benefits in any way
- Client can choose who sees this information

# ***TEFT Program component: PHR***

What is the latest with the PHR?

- PHR platform built for test environment
- Will be ready for production soon
- Client recruitment is ongoing
- Looking to test with clients; potentially incorporate providers later

Policy & Financing

# ***TEFT Program component: eLTSS***

## eLTSS update

- Round 2 of the data elements field validation is complete
- Finalized eLTSS catalog survey taking place in Q3-Q4, 2017
- Capturing Case Management daily functional workflows and Reporting needs
- Defining best use requirements for eLTSS environment integration and FASI assessment repository

Policy & Financing

# ***TEFT Program component: FASI***

## FASI Update:

- Round 1 in full swing, heading towards completion
- Many assessments already completed
- Looking to get overall feedback by mid-June
- Finalizing Adult and Child assessments with Stakeholders

# ***TEFT Program component: EoC***

## EoC Update:

- Final analysis report ready mid-June
- Information coming in on how modalities affect completion rate
- Allotted more time for online version, get statistically significant sample size
- Sustainability plans in the works
