# **FY 2022-23 BUDGET REQUEST**

**Governor Jared Polis**

**Presentation to the Joint Budget Committee**

**December 3, 2021**

---

# Saving People Money and Protecting the Colorado Way of Life

This budget doubles down on my commitment to saving Coloradans money, fighting pandemic induced inflation by putting money back in their paychecks, and protecting the Colorado way of life.

# ELEMENTS OF BUDGET FY 2022-23

This budget includes **four key elements** that will bolster the economic recovery, invest in the future, and move Colorado forward.

1

Historic Investments in Education & Workforce

2

Putting Money Back in Coloradans Paychecks & Supporting Colorado Businesses

3

Healthy and Safe Communities

4

Fiscal Responsibility

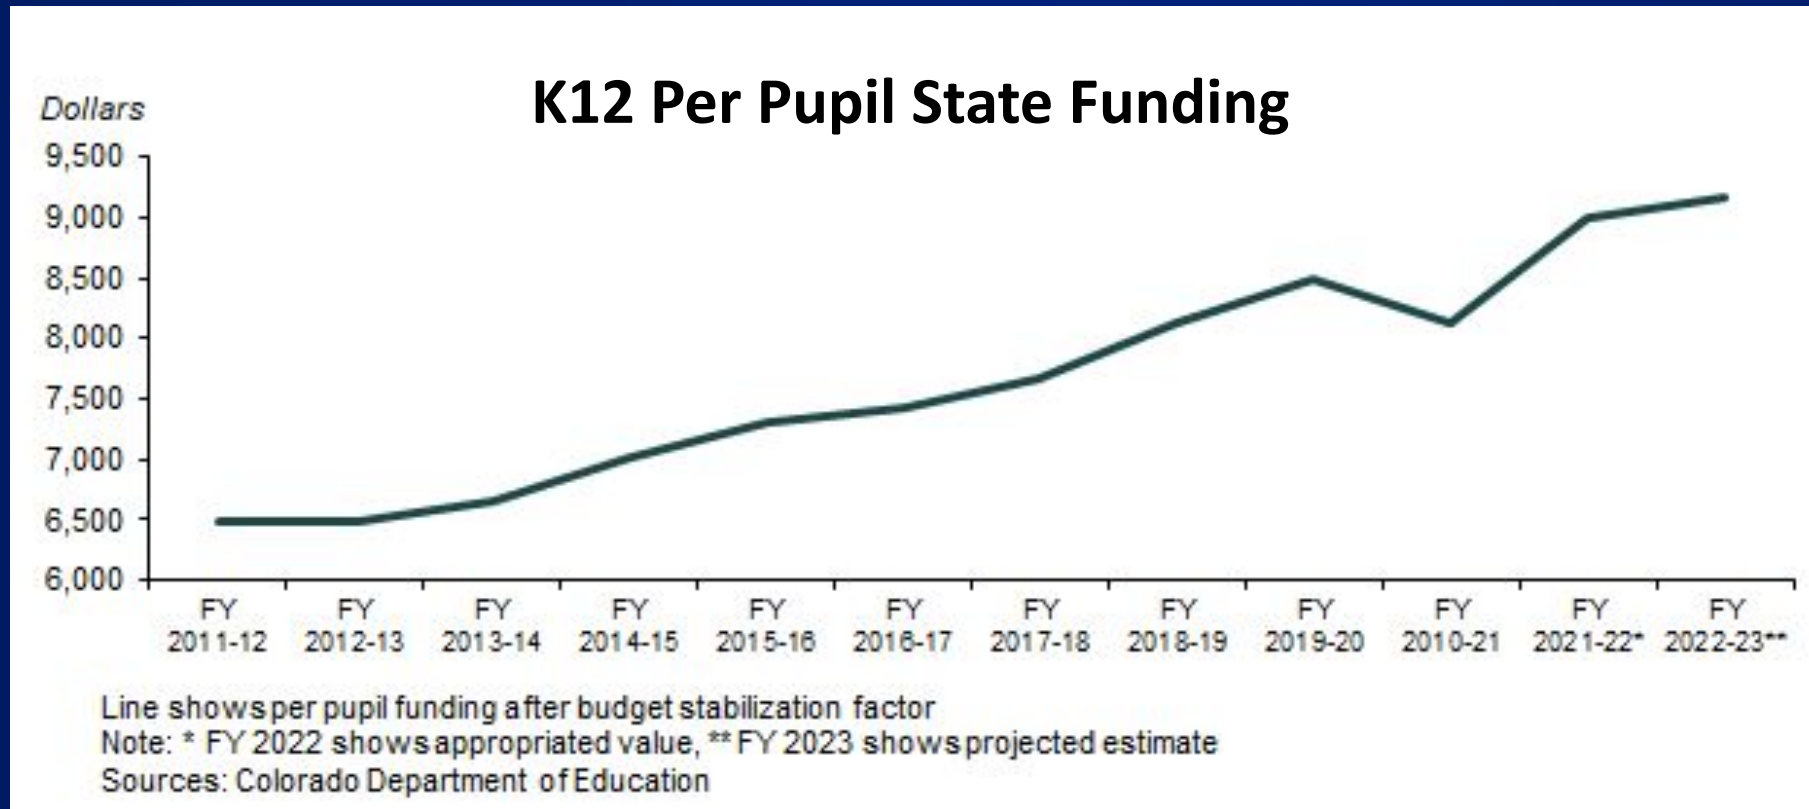

Historic Investments  
in Education & Workforce

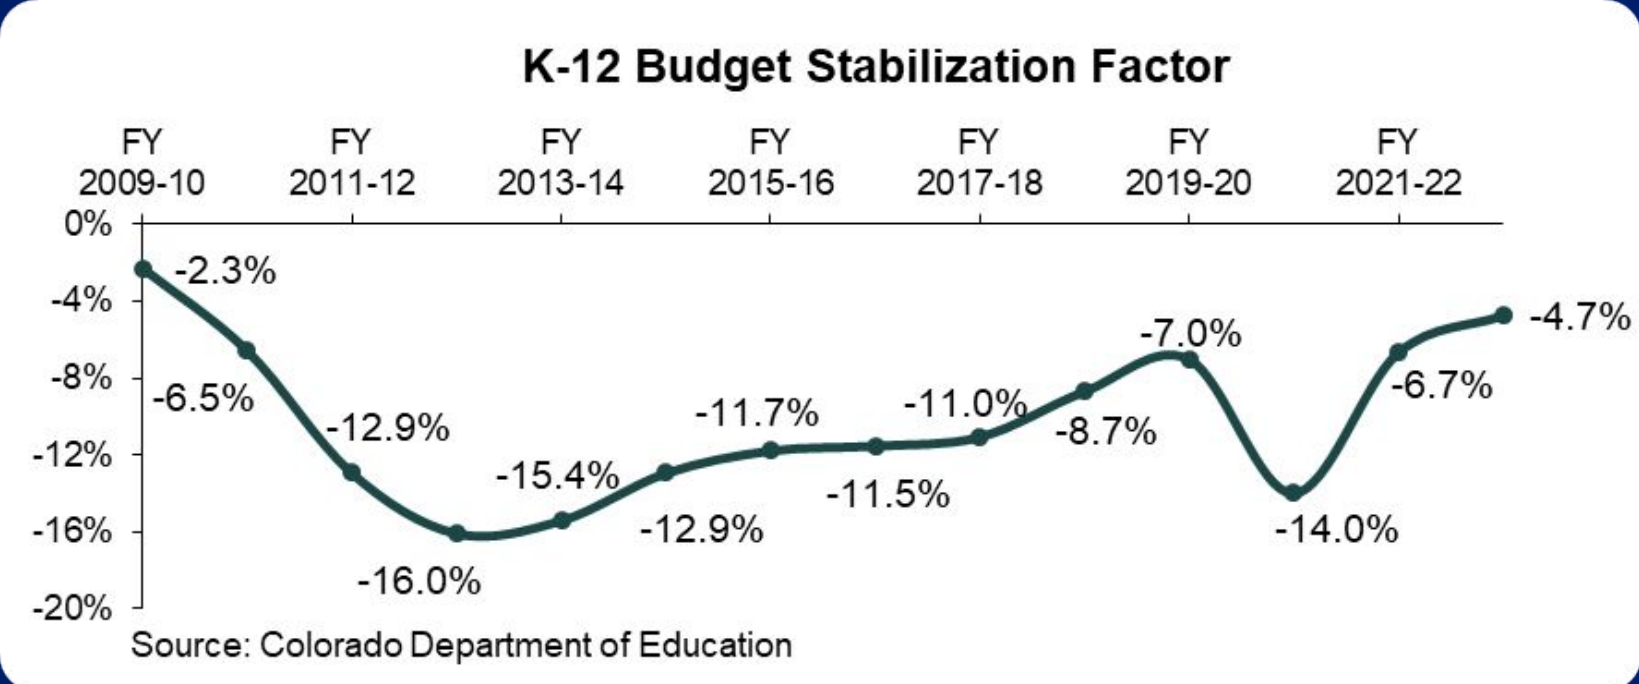

# K12 EDUCATION AND EARLY CHILDHOOD

- K12 per pupil funding up \$526 to highest level ever
- Free Universal Preschool implementation - New Department of Early Childhood

# EDUCATION AND WORKFORCE

- Historic \$450 million investment in K12: \$150 million to achieve **lowest Budget Stabilization Factor of 4.7%** since its peak of 16% in FY 2012-13, and \$300M in Prepays to protect that investment for the years ahead
- Operating support for Higher Ed Institutions parallel to per pupil and inflationary increase of 4.6% for K12, capital investments to keep costs down, and more financial aid
- \$30 million to renovate state and higher ed buildings to provide **child care**, plus \$21 million to help workers find good paying jobs

# 2

## Putting Money Back in Coloradans Paychecks and Supporting Colorado Businesses

# PUTTING MONEY BACK IN COLORADANS PAYCHECKS & SUPPORTING COLORADO BUSINESSES

This budget invests in our workers and our small businesses with unemployment and FAML I insurance premium relief, putting more money in Coloradans' paychecks.

- \$104 million in Fee Relief for Individuals and Businesses, including making it **Free to Start a Business**, FAML I Paid Family and Medical Leave premium relief, and **Healthcare Professionals** fee relief
- \$600 million for Relief from Pandemic-Related Unemployment Insurance charges to save employers money and protect worker wages
- \$51 million to help businesses find workers and help workers find good-paying jobs through short-term credentials and apprenticeships

# SAVING PEOPLE MONEY ON HEALTH AND BEHAVIORAL CARE

- \$530 million over three years to protect and transform home and community based services → **\$15/hour wages** to ensure Medicaid access to services
- \$24 million for innovation to reward high quality care that is cost-effective (HCPF and DOI alternative payment models)
- \$11 million for e-Health Innovations to enable critical data and technology for rural healthcare providers
  - Builds on important strides made last session to **Save People Money on Healthcare** through the passage of Colorado Health Insurance Option and the creation of a Prescription Drug Affordability Review Board
  - Adds to Transformational ARPA Investments in Behavioral Health, including new Behavioral Health Authority

# Healthy and Safe Communities

# INVESTING IN PUBLIC SAFETY AND FIGHTING CRIME

\$113 million in public safety investments to reduce crime for **safe communities**

- Public safety workforce transformations including grants for innovative programs to reduce corrections costs, hospitalizations, and recidivism
- Diversion, co-responding, and recidivism reduction investments to prevent at-risk individuals from becoming involved, or further involved, in the criminal justice system
- Forensic and investigative resources
- Behavioral health workforce investments, especially in underserved communities
  - loan forgiveness to attract and retain behavioral health providers
  - providing scholarships
  - leveraging incentive payments in underserved communities

# HOMELESSNESS RESPONSE AND SOLUTIONS

- Prioritizing \$200 million to reduce homelessness: Competitive grants matched with local and private resources for community implementation efforts
  - Denver Support Recovery Campus
  - Ridge View Regional Recovery Campus
  - Data Collection and Outreach
  - Support for municipal efforts to reduce homelessness

# INVESTING IN COLORADO MAIN STREETS

- Building on a \$52 million investment made over the past year, I am requesting an additional investment of \$40 million for designing and building safer streets.
- CDOT's Main Street Program improves economic activity, community, safety, and recreation across the state.
- New funds will establish better multimodal access including pedestrian and bike access along state highways in urban areas, and will aim to bolster transit service as quickly as possible.

# AIR QUALITY

- \$424 million in one-time investments to improve air quality in Colorado
  - Electrification of transit, especially school buses that put children's health at risk
  - Decarbonization of industry and aviation
  - Cannabis industry efficiency
- Must act now to address urgency with one-time funds to address air pollution
- This package builds on 48 bills from the 2021 legislative session and advances Bold Goal of 100% renewable energy by 2040 and HB-19-1261 goals

**Air pollution and other environmental threats fall disproportionately on lower income communities and communities of color**

# HOUSING THAT'S AFFORDABLE

\$400 million ARPA investment that can be leveraged two times or more

## Key Priorities:

- \$100 million for investments in strong communities, to provide infrastructure grants for local infill infrastructure needs to help support and catalyze affordable housing development
- \$25M for financing energy improvements in affordable housing
- \$25M for housing innovation incentives to support and grow businesses in prefabricated housing
- \$25M for Colorado Housing and Finance Authority's Middle Income Access Program

# 4

## Fiscal Responsibility

# Fiscal Responsibility

- Historic General Fund Reserve of 15% (pre-pandemic only 7.25%)
- \$1.84 billion investment for budget integrity prepays
- Significant investment in capital maintenance to avoid future costly capital projects
- ARPA Priorities that Leverage Funds for Transformational Change in Housing Affordability, Behavioral Health and Others
